Courtyard

Courtyard

Enjoy the outdoors in our beautiful 1930s courtyard.

The Art Deco heritage courtyard features beautifully landscaped gardens framed by cloisters. The NFSA Courtyard is the perfect venue for event receptions and live music events for up to 260 people.

The space is bordered on all sides by covered cloisters, which provide good weatherproofing for audiovisual equipment and a convenient wet weather contingency.

Audiovisual

Audio

We offer a Courtyard audio package which comprises:

- QSC K10.2 Audio PA system
- 2x Sennheiser wireless, handheld microphones
- music playback (3.5mm headphone jack cable supplied –, please arrange your own device with music)
- Mackie audio mixer
- Graphic equaliser
- lectern
- cabling, setup and packdown

Our technical team will be available to demonstrate the operation of microphones and music playback prior to your event. Additional fees will apply if you would like an NFSA technician to remain on site to operate your event.

Lighting

Our stock of AX5 wireless, battery-operated and remotely controlled uplights can add an extra level of production and customisation to your event.

Physical

Capacity

The Courtyard can accommodate up to 260 guests.

Furniture

- 150x black fold-out chairs
- 10x trestle tables (with tablecloths)
- Permanent bench seating under the cloisters

Staging

If performance risers are required, two decks of 2.4m x 1.2m stage can be adjusted to 300mm, 600mm or 900mm height. *Stage skirt and access stairs can be arranged at an additional fee.*

Accessibility

The courtyard is wheelchair accessible.
